**INTOUCH SOLUTIONS HOSTS EVENT TO CELEBRATE  
NEW YORK EXPANSION**

**NEW YORK (June 23, 2016)** – Intouch Solutions, a leading marketing agency serving the pharmaceutical industry, hosted a special evening celebration on Friday, June 17, to commemorate its New York expansion into new, larger office space.

The event, called ‘Celebration on 7<sup>th</sup> Avenue,’ brought together Intouch associates, clients, partners and other special guests to enjoy a night of food and fun in the new New York office space. With a theme of ‘Around the World,’ guests toured the new office while sampling food and drinks from across the globe, including sushi, lamb kebabs, fish tacos and more. In addition, guests were treated to a hands-on demo of a virtual reality experience, a live band and photo booth.

Celebration on 7<sup>th</sup> Avenue allowed guests to gain a better understanding of and appreciation for the passion Intouch holds in bringing innovative solutions to clients and, ultimately, patients. With unique artwork and inspirational phrases found on the walls throughout the office space, guests were reminded of the key elements that drive the organization: passion, ingenuity and teamwork.

“We were honored to celebrate our expansion with those who play an important role in our business and its continued growth,” said Boris Kushkuley, executive vice president. “At Intouch, we are a passionate group that never stops challenging ourselves to find the best solutions for our clients. This new office space represents the energy we bring every single day to our work.”

Intouch Solutions’ New York office location occupies 17,000 square feet of 469 Seventh Avenue in Midtown Manhattan. The move came in response to the rapid expansion at Intouch Solutions fueled by the acquisition of several major new clients. Last month, [Intouch opened](#) its first international office in London.
