**INTOUCH SOLUTIONS RECOGNIZED AS AN ADOPTION-FRIENDLY WORKPLACE
BY DAVE THOMAS FOUNDATION FOR ADOPTION**

KANSAS CITY (October 27, 2016) – Intouch Solutions, a leading marketing agency serving the pharmaceutical industry, was recognized as an Advertising, Marketing and Public Relations industry Top Five Adoption-Friendly Workplace by the Dave Thomas Foundation for Adoption, America’s only nonprofit public charity dedicated to finding homes for children in foster care.

“Supporting our employees as they go through the adoption process is important to us. It’s not something we do for recognition, but we are honored to be highlighted on this list,” said Faruk Capan, CEO of Intouch Solutions. “Our support of adoptive families goes back to our mission to positively affect the lives of our people and within our communities.”

Intouch Solutions offers adoption benefits to team members who have been with Intouch for at least one year. The benefit covers up to \$5,000 reimbursement for eligible expenses and provides four weeks of paid time off.

Since 2007, the Dave Thomas Foundation for Adoption has compiled an annual list of the top adoption-friendly workplaces. Best Adoption-Friendly Workplaces are determined by an analysis of financial assistance and paid leave for families who adopt, based on surveys completed by employers. Breakout lists that note America’s top 100 adoption-friendly employers are available, and detail the top 10 companies by size, as well as identify the leaders in each industry.

“We’re committed to dramatically increasing the number of adoptions from foster care, and commend all employers who support families – especially those that grow their families through adoption,” said Rita Soronen, president and CEO of the Foundation. “We are so grateful to every company that has adoption-friendly benefits in place, and we’re honored to recognize them as an Adoption-Friendly Workplace.”
